Beware of images.
Do not run or fly in order to get free,
Rather dig in the narrow place
Which has been given to you.
You will find God and everything else
God does not float on your horizon
He sleeps in your very substance.
Vanity runs, love digs
If you fly away from yourself,
Your prison will run with you and close you in
From the very wind of your own flight.
If you go deep into yourself,
You will disappear into paradise
